Instructions

To minimize reporting requirements for Loan Recipients, and to reduce paperwork, effective July 1, 2012 the NH DES Drinking Water SRF Program no longer requires loan recipients that are governmental entities (cities, towns, village districts, etc) to submit copies of certified payrolls to DES (non-governmental entities will need to continue submitting certified payrolls to DES on a weekly basis). This change applies to ARRA loans, as well as DWSRF base program loans. It is important to note that this change does not alter the Loan Recipient's and Contractor's obligations under the provisions of Davis Bacon Related Acts (DBRA). The Loan Recipient is still required to collect certified payrolls from the contractor.

In lieu of submitting copies of certified payrolls to the DES DWGB, we ask that loan recipients complete and submit the attached DWSRF DBRA Compliance Certification Form (a one page form) within 15 days of receiving each payment requisition from the contractor. The certification form is available under "Davis Bacon Forms" at the following link: <http://des.nh.gov/organization/divisions/water/dwgb/capacity/dwsrf.htm> .

The completed certification form must be received by DES before disbursements are made on construction payment requisitions. The beginning and ending dates indicated on the certification form must match the application period shown on each payment requisition.

Loan recipients should contact the DWSRF program if there are outstanding Davis Bacon issues that result in the loan recipient being unable to certify compliance for any certification period.
